

PALLAVI MODEL SCHOOL-ALWAL

Children's Day Celebration

It was an extravagant day, the excitement was in the air, laughter mingled on the innocent faces and the podium resonating the call of joy on an occasion like the one, the whole school was accommodated to witness the grandeur.

The day began with, how important and credible the students of Pallavi model school were for their teachers, followed by an assembly performed by the teacher choir, ending with a pledge by the HOD of sports. The routine was then followed by the cultural program and the students swallowed the laughter pill soon after it, as they were served with a hilarious skit, the laughter scaled heights with the narrative voices by the High School teachers.

Our Principal Mrs Sunir Nagi presented a soulful poem about her feelings for students during summer break. She modulated her voice, in a manner that brought goosebumps on the students.

We then proceeded with a medley of dance, close to 50 teachers danced turn by turn, that made our students go gaga.

It ended with outstanding news on awards of principal and students

Oh! I'm glad its your day

If not a teacher I always discern to be a kid just like you..

Train yourself to find blessing in everything

You are the cutest and a special gift your parents have

And

A best part of my life...

Wishing you a happy childrens day

This is something that had its impact over me..a small share

Be like a tree and the bird at the same time..

Stay grounded yet don't forget to fly

Connect with roots and turn over new leaves..

Learn to overcome fear of failure by reaching the highest goal.

Bend before you break and leap before you give up

Enjoy your unique natural beauty

Do not judge neither allow any judgement pull you low..

Keep growing as strong as a banyan and as deep as deodar and keep soaring as high as an eagle.

Yours ever loving

Teacher
